Professional Summary

Electronics and Communication Engineering undergraduate at the University Visvesvaraya College of Engineering (UVCE) with a strong foundation in C, C++, Data Structures and Algorithms, Object-Oriented Programming, and Web Development. Seeking an Application Development Internship to contribute to software development, testing, debugging, and collaborative engineering projects while continuously enhancing technical skills.

Technical Skills

Programming: C, C++

Web Technologies: HTML, CSS, JavaScript

Database: MySQL

Core Subjects: Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, Computer Networks

Tools: Android Studio, VS Code, Git

Soft Skills: Problem Solving, Communication, Collaboration, Attention to Detail

Projects

Discipline OS – Student Productivity Application

Platform: Android Studio

- Developed the basic version of an Android application to help students manage goals, notes and daily discipline.
- Implemented progress tracking, streak monitoring and an intuitive user interface to improve usability.
- Performed testing, debugging and iterative feature improvements during application development.

Career Compass – Career Guidance Platform

Technologies: HTML, CSS, JavaScript

- Developed a responsive web application to help students explore career paths and learning roadmaps.
- Designed structured career information with a clean and user-friendly interface.
- Improved navigation and user experience through responsive web design.

Edge AI Surveillance System

Team Project

- Contributed to the development of an AI-based surveillance prototype for intelligent monitoring.
- Assisted in testing, feature enhancement and technical documentation.
- Collaborated with team members during project development and implementation.

Education

University Visvesvaraya College of Engineering (UVCE)

Bachelor of Engineering – Electronics and Communication Engineering

CGPA: 8.46/10

Expected Graduation: 2027

BGS PU College

PCMB

96.16%

2023

Universal Public School

SSLC

94.08%

2020

Certifications

- HackVega 2.0 Nationwide Hackathon
- Infosys Soft Skills Development
- Eureka Hackathon
- Strategy Spirit – E-Cell

Leadership & Activities

- President, School Student Council
- Delegate, UVCE Intra MUN 2025 (French Republic)
